PROFILE

Preet Raval
Software Developer | Web & Application Development
Highly motivated and detail-oriented software developer with a strong foundation in web and application development. Experienced in designing, developing, and maintaining responsive and user-friendly applications. Passionate about learning new technologies, solving real-world problems, and contributing to innovative projects. Adaptable team player with a commitment to delivering high-quality, efficient, and scalable solutions.

WORK EXPERIENCE

- Results-driven Full Stack Developer with hands-on experience in building responsive, scalable, and user-focused web applications. Proficient in front-end technologies like HTML, CSS, JavaScript, React, and back-end development using Node.js, Express, and databases. Strong understanding of REST APIs, authentication, and deployment workflows. Passionate about clean code, performance optimization, and continuous learning, with the ability to adapt quickly and contribute effectively in collaborative environments.
